*Monthly Trustee meetings are public meetings. If York Water District scheduled a public hearing it would be posted as such. Nevertheless, consistent with past practice, the Board reserves a portion of its meetings for public comment. Because time is limited, the Board will give York WD ratepayers and York property owners priority for presenting public comments. If there is sufficient time, the Board will provide an opportunity to those outside of York to provide comments. Comments by everyone will be limited to 3 minutes. All comments will be directed to the Board President and are required to be civil, respectful, and relevant to the York Water District. For those who were not provided an adequate opportunity to provide oral comments, they are free to submit written comments. Those comments should be sent to [customerservice@yorkwaterdistrict.org](mailto:customerservice@yorkwaterdistrict.org)*
